

GIVE.

United Way of Etowah County is creating opportunities for a better life for all. But we can't do it alone. Our work is fueled solely by your generosity. We need your support to make our community a better place. Together we can LIVE UNITED.

ADVOCATE.

You can better your community with your voice. Get informed. Tell your friends. Write a letter to the editor. United Way needs people who are passionate about their community.

VOLUNTEER.

Donating is not the only way to support United Way. You may also give your time. When you open your heart and lend a hand, your generosity makes a difference, not only in someone else's life, but also in your own.

When you give to United Way, you're helping create lasting changes in the lives of those around you. You're making our community, our country, and our world a better place to live in. We thank you so very much.
